

COMPREHENSIVE PROPERTY GUIDE

**Home Partners
of America®**

Please note, Home Partners will only consider purchasing homes which are located within our approved communities. Home Partners is focused on resident affordability and increasing the likelihood of our residents' success in purchasing the home. We target the broadest group of communities where we think both our residents can succeed and Home Partners can efficiently service their needs.

We adjust our investment criteria from time to time in response to market conditions including home price appreciation forecasts, mortgage affordability, population density, and more.
