Home Partners of America helped to turn one of the darkest times in our lives around. The fact that we could lease a home of our choosing with an option to buy it made me totally OK with letting go of the past and looking toward the future.

# A Simple and Transparent Process

Application to move-in can generally take 45 days or longer.

Apply for approval at [HomePartners.com](http://HomePartners.com).

Once approved, work with your agent to find a Home Partners qualified home.

Home Partners buys the home and leases it to the resident with the right to purchase the home.

*Make sure to apply through the direct invitation link sent by your agent. If you accidentally register without including your agent's information, please call customer solutions at (877) 234-5155 to add them to your account.*

**A resident's only financial obligation is a 1 year lease.**

Approved residents have the option to:

Purchase the home at any point during their residency for a pre-agreed price.

or

Renew their lease in one year increments, for a total term up to five years (three years in Texas).

or

Move out after their lease term with no further obligation. Security deposit returned in accordance with lease terms.

# Benefits to Residents

---

## TRANSPARENCY - No hidden fees or non-refundable deposits

Upon entering this program, residents are given the monthly lease and purchase price information each year for up to five years,\* so they can plan for the future. Home Partners uses our skill to purchase the home the residents want, providing them with an affordable lease and a pre-set purchase price each year for up to five years.\*

## CHOICE - More homes, better homes

Home Partners provides access to the MLS listings in the communities we serve, expanding residents' selection to all qualifying homes for sale.

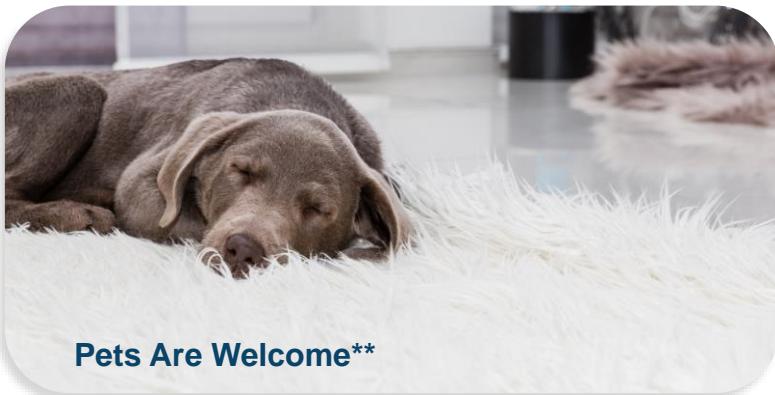

## CONTROL AND FLEXIBILITY - Residents are in control

Residents have the Right to Purchase the home at any time during their residency, at the pre-set price. If the home value appreciates above this price each year, they realize a financial benefit. If the value of the home declines, they can choose not to renew their lease and walk away without penalty.

# Resident Criteria\*

This fee is due with the required deposit and is refundable in the event you purchase the home. Otherwise, it is not refundable.

# Prospective Resident Approval Process

---
